Cultivate your hunger before you idealize.
Motivate your anger to make them all realize.

Climbing the mountain, never coming down.
Break into the contents, never falling down.
My knee is still shaking, like I was twelve.

Sneaking out the classroom, by the back door. A
man railed up me twice though, but I didn't care.

Waiting is wasting for people like me.
Don't try to live so wise.

Don't cry 'cause you're so right.
Don't dry with fakes or fears, 'Cause you will hate yourself in the end.
Don't try to live so wise.

Don't cry 'cause you're so right.
Don't dry with fakes or fears, 'cause you will hate yourself in the end.
You say, "Dreams are dreams.

I ain't gonna play the fool
You say, "Cause I still got my soul."
Take your time baby your blood needs slowing down.

Breach your soul to reach yourself before you gloom.
(Re)flection of fear makes shadow of nothing.

Shadow of nothing.
Still are blind, if
you see a winding road, 'Cause there's always straight way

to the point you see

Don't try to
live so wise. Don't cry 'cause

you're so right. Don't dry with
fakes or fears, 'Cause you will hate your-self

in the end.
Don't try
to

live so wise.

Don't cry 'cause
you're so right.
Don't dry with
fakes or fears, 'cause you will hate your self
in the end...

Don't try to

live so wise.

Don't cry 'cause
you're so right. Don't dry with
fakes or fears, 'cause you will hate your-self
in the end... 'Cause you will hate your - self
